We are united in placing upon our records the following memorial to Frederick Taber who died 12/25/30.

Frederick Taber an esteemed member and overseer of this meeting died Twelfth month 25th 1930, aged seventy four years.

It seems fitting that some mention of the life and activities should appear in our records of one whose birthright membership came through an extended line of ancestry influential in this Society. While we will ever treasure the pleasant memories of his presence, we would record our deep appreciation of his untiring interest in the business and spiritual life of this church and its Sunday School, to both of which he gave much of his time and always his most faithful and intelligent attention. Unassuming in manner and devoid of self-seeking the record of his life is one of honorable and useful service worthily performed. He dignified the privileges of citizenship with sterling integrity and genuine nobility. In civic crises he was hopeful and helpful and in prosperity not the less prudent and careful.

"In action faithful and in honor clear
Who broke no promise served no private end
Who gained no title and who lost no friend"

His life was a record of duties discharged with fidelity, his example an inspiration in cheerfulness and integrity. He gave to the projects of his interest careful thought

and painstaking attention; organizations to which he belonged will miss a member conservative in council, intelligent in discussion and faithful in attendance. The members of this meeting will cherish with pleasure though tinged with sadness his fine qualities of heart and mind. A life of benign and far-reaching influence has closed, and except in the home, nowhere more than in this house, hallowed by years of intimate association and tender memories will be missed "the touch of the vanished hand and the sound of the voice that is still"
We conclude to meet in the 3rd month next if the Lord will —

Thos. A. Tripp. Clerk.

Wood deceased submits the following.
Geo. R. Wood, a revered member and Elder of this meeting passed away Third Month Sixteenth, 1935 in his eighty third year. It seems fitting that our records should testify our heartfelt esteem of one, whose birthright membership came through an extended line of ancestry influential in this society. While we will ever treasure the

pleasant memories of his presence, we would record our deep appreciation of his untiring interest in the business life of this Church and its Sunday School, to both of which he gave much of his time and always his most faithful and intelligent attention. An earnest member and reverent worshiper, the memory and influence of his fidelity to his religious convictions will ever abide as an inspiration in this Society. He gave to the projects of his interest careful thought and painstaking attention. He was ever found Conservative in Council, intelligent in discussion, and faithful in attendance. Unassuming in manner and devoid of self seeking, the record of his life is one of honorable and useful service worthily performed. He learned to take the joys of life gratefully and to take its sorrows hopefully. His friends both within and without the society will cherish with pleasure, though tinged with sadness, his entertaining humor and pleasant companionship. They will remember his charming and happy home, where, through the refinement of delightful hospitality, he welcomed with rare courtesy, his friends and guests. His example was an inspiration was an inspiration in Cheerfulness and integrity, not only in his extended business interests, but in the varied duties of "monthly - Quarterly - and Yearly meetings.
He was active to the last and then came -
Peace

"Of soul sincere
In action faithful and in honor clear,
Who broke no promise, served no private end,
Who gained no title, and who lost no friend."

Because of our grateful appreciation of his long and valued service of this efficient officer and genial christian associate, and because this meeting place was to him made sacred through years of service with family and friends, this tribute is placed upon the records of the meeting. A life of benign and far reaching influence has closed, and except in the home of pleasant memory to friend near and far, nowhere more than in this house, hallowed by years of tender memories and intimate associations, will be missed the "touch of the vanished hand and the sound of the voice that is still"

The following is a summary of reports received from the three congregations in the New Bedford Monthly Meeting and forwarded to the Sandwich Quarterly Meeting.

From New Bedford Particular Meeting.

We believe that the private life of our members is good, and in some homes family devotions are observed. - a fair per cent of our members attend the meetings for worship, where the door is open for individual service. Most of our members are generous in Material for the support of the church, and do much work for the hospitals, the Red Cross, the American Friends Service Committee, and elsewhere. The social life of this meeting is very satisfactory. The attendance in the Bible School has been increased during the year by one adult class. The standing of the meeting in the community is good, and during the winter we have cooperated with other churches in Union services that have been inspiring ~~tw~~ and helpful. In one

of these union services held in our meeting house 350 were in attendance. The sick have been visited in the hospitals and in the home. It has been said that "The faithful preaching of expository Bible messages, have been a blessing to our people and to others that attend." The following is a list of our ministers - Rachel Mostrom of Nanking, China and Wareham Mass,
Oscar G. Mostrom - Pastor " "

From Mattapoisett - The attence at the meetings for worship is excellent and has increased during the past year. The Bible school is progressing, and the school has held its own during the past year.

From Long Plain. The private life of the membership, family devotions, attendance upon public worship, relations with one another are satisfactory as far as we know We have a good standing in the Community. People from other churches attend our meeting regularly.

An application in the usual form having been received from Robert Wilson of Mattapoisett requesting membership in this meeting and the same having the approval of the pastoral Committee we are united in receiving him as a member of this meeting and the Clerk is directed to notify him of this action,

An application in the usual form having been received from Mary E. Wilson of Mattapoisett requesting membership in this meeting and the same having the approval of the pastoral Committee we are united in receiving her as a member of this meeting and the Clerk is directed to notify her of this action,

An application in the usual form having been received from Lilian V. Wilson of New Bedford requesting membership in this meeting and the same having the approval of the pastoral Committee we are united in receiving her as a member of this meeting and the Clerk is directed to notify her of this action

The State of the Society in New Bedford is reported as follows; The private life of our members is good as far as we know, and in some homes family devotions are observed [illegible] per cent of our members attend the meetings for worship but owing to the very severe weather conditions this last winter attendance has not been so good. Most of our members are generous in material giving for the support of the Church, and do work for the Red Cross and the American Friends Service Committee and subscribe to individual needs. The standing of the Meeting in the city is good. We have had one satisfactory visit at Camp Edwards. We hear no grumbling because of the restricted conditions under which most of us are obliged to live in these war times. We have been and are inspired by the words of the prophet. Although the fig tree shall not blossom, neither fruit be in the vines; the labor of the olive shall fail, and the fields yield no meat; the flock shall be cut off from the fold; and there shall be no herd in the stalls; yet I will joy in the Lord; and I will rejoice in the God of my salvation! The sick have been visited in the homes and in the hospitals. The names of the ministers in the Monthly Meeting at present are; Oscar F. Mostrom pastor at New Bedford, Earl A. Wilson Minister at Mattapoisett - Rachael Mostrom Wheaton College, Wheaton Ill.

From Long Plain - The private life of the membership, family devotions, attendance upon public worship, relations with one another are satisfactory as far as we know. The majority of resident members that are physically able, attend the meetings. We cooperate with other religious activities. We have a good standing in the Community. Several people from other Churches attend our meeting — From Mattapoisett.

The spiritual condition of the Friends meeting at Mattapoisett is good. There is a definite atmosphere of sincere worship ~~the~~ at the weekly meetings that inspires and refreshes. God is given His way in all that is said or sung and as a result there is often an outpouring of His spirit that emphasizes His love and His goodness. Friends in the little Company dwell together in brotherly love and helpfulness. The ties that bind us together as a Meeting grow stronger and dearer as the years slip by. Because the Meeting is small, its impact upon the Community is not as great as that of a larger group, but it cannot be doubted that its influence for good is being ~~felt~~ felt. Attendance at the regular meetings for worship has been good the past year and regular, with the larger attendance during the summer months when the long journey to the meeting house is not so difficult for many. During the year four made known their desire to unite with the meeting as Friends and were taken into membership — Of home worship among our members I do not feel adequately informed to report, although I feel sure this important phase of

Christian living is not neglected; basing my assurance upon the evidences of it as reflected in the lives of those who attend our weekly meetings regularly. God has been good to us in many ways during the year. It is our earnest hope that our relationship to Him in the coming year may be such as to merit in some degree a continuance of His blessing — Earl D. Wilson
We conclude to meet in the 4th month next, if the Lord will.

Memorial
to
Thomas A.
Tripp

"We note with great sorrow the passing of Thomas A. Tripp at the age of 95. He has been prominent among Friends for many years, having recently resigned from the office of clerk of New Bedford Monthly Meeting after twenty-eight years of continuous service.

He was formerly a member of the Permanent Board of the New England Yearly Meeting. At the time of his death he was a member of the Moses Brown School committee, and, also, a member of the Board of Managers of investments and permanent funds. As a financial expert, his services were especially valuable.

Thomas A. Tripp was a man of personal integrity, as such, he was widely respected. He has had a successful career as manufacturer and for most of his life was prominently connected with the banking interests of New Bedford and Fairhaven, being president of one and a director in another at the time of his death. Although he had lived almost a century he kept his faculties to the last. The sudden ending of his life brought grief to his many friends and associates but the memory of his many kindnesses and his thoughtfulness for others will be an inspiration to those who knew him."

Taken from the minutes of New Bedford Monthly Meeting held First month, twenty-fifth, nineteen hundred and fifty-three.

In Memoriam

Charles Warren Mesner

With profound sorrow, the members of the New Bedford Monthly Meeting of Friends record the sudden death on October 18th, 1953 of one of its most earnest and zealous Friends - Charles Warren Mesner, who came to New Bedford five years ago to become the minister of the New Bedford Friends Meeting. He was born in Pleasant Plain, Iowa, of Quaker parents and was one of a large family. He received his education in the Quaker schools, Pleasant Plain Academy and Nebraska Central College; also attended Presbyterian Seminary, Omaha, Nebraska, later transferring to the Hartford Theological Seminary Foundation, Hartford, Connecticut, where he received his Bachelor of Divinity Degree; took a one year course of graduate study at Harvard University, Boston, Massachusetts; and received his Master's Degree from Brown University, Providence, Rhode Island. Before coming to New Bedford he had been minister at the West Branch Friends Meeting, Iowa, the Fall River Friends Meeting, Massachusetts, Lafayette Avenue Friends Meeting, Brooklyn, New York, and had served parishes in Blandford, Massachusetts and East Cannan, Connecticut. He was active in the religious organizations of New Bedford, serving as treasurer of the Greater New Bedford Ministers Association and a member of the committee of the Interchurch Council to plan the schedule of Sunday radio broadcasting for the city churches. He was a member of the Permanent Board and Central Advisory Committee of the New England Yearly Meeting of Friends, clerk of the New Bedford Monthly Meeting and active in the Sandwich Quarterly Meeting.

Over years far beyond the scriptural span of life, Charles W. Mesner was granted knowledge so wide, a mind so lucid, a youthful conception of life - yet so wise, that everyone felt this kindness, peace, security and thoughtfulness which emanated from him. He was a God-centered man, loving and serving his people. His was a service rich in results for God's kingdom. Although quiet and somewhat deceptive in his talents, he was a truly great man. Many a person has been helped and gained renewed strength from his sermons, based on the Old Testament which he applied to every day situations, solved with God's help. He was a modest and self-effacing man with God given talents of accute discernment, strong spiritual principles, and infinite loving kindness.

With the sense of a great community-loss as well as the loss of a great Quaker minister is mingled deep sympathy for his loved ones.
